

Subscriptions and School Contributions

Dear Parents and Caregivers,

This year, we have reviewed the subscriptions offered to support the learning in classrooms. We have reduced the subscriptions supplementing classroom activities and as a result have lowered the cost to parents.

To access the following subscriptions, Reading Eggs, School Magazine, Forge Wellbeing, coupled with stationery items and printing, the cost per student is \$25.

School Contributions are \$25 per student as in previous years.

The combined cost for 2023 is \$50 per student. This is reduction of \$10 on previous years.

Please return this note and payment by 5 May 2023 (Term 2, Week 2)

Kind regards,

Mrs J Curran

Principal
